

## Achieving Excellence Together

11<sup>th</sup> July 2025

Dear Parents and Carers,

We are delighted to inform you that Hadrian has one again achieved the School Games Gold Level Mark Award! A special thanks to: Mrs Hanson, Sam Emery-Barker, Daniel Crosby and Dawn MacEwen, who have helped us to achieve this award. A fantastic recognition of the continued commitment and enthusiasm shown by our pupils and staff.

This afternoon, you will have received your child's end-of-year school report. We hope you find it both informative and reflective of the progress your child has made throughout the year. Should you have any questions or wish to discuss the report further, please do not hesitate to contact your child's class teacher during the coming week, ahead of the end of term. If you have not received your child's report this afternoon, please notify your child's teacher or the school office as this may be because the email address we have on our system needs to be updated.

We also hope you found the 'Welcome Year Group Presentations' helpful and insightful. These presentations are designed to provide key information about the upcoming academic year and to support a smooth transition into September.

A big thank you to all who attended our Sports Days this week. The events have been a great success and we have received wonderful feedback from parents. It was fantastic to see so many families enjoying the occasion, particularly at Stockwood Park. We are looking forward to the final Sports Day, taking place this Monday at Stockwood Park for Years 5 and 6.

We would also like to express our thanks to those who completed the recent lunchtime survey. Your feedback is incredibly valuable and will help us plan effectively and make improvements to our lunchtime provision for the next academic year.

## Year 5 Visit Whipsnade Zoo

On Monday 7th July, Year 5 visited Whipsnade Zoo. While exploring the grounds, they had the opportunity to meet various zookeepers who enriched their learning through interactive games and discussions about how animals are adapted to their environments, as well as the issues surrounding species becoming endangered.

Another highlight was spotting the huge wooden troll sculptures hidden around the zoo. To end the day, the children watched an excellent bird display, where they saw a selection of colourful birds perform an impressive flying show.

## We're Hiring – School Cleaner Needed!

Hadrian Academy is looking for a reliable and hardworking cleaner to join our friendly team. This part-time role involves keeping our school clean, safe, and welcoming for all pupils and staff. If you take pride in your work and enjoy being part of a supportive school community, we'd love to hear from you! For more details or to apply, please contact the school office or follow this [direct link](#).

Finally, it was a joy to see so many children taking part in and enjoying this today's water fight! This fun reward was well-earned by those who met their reading targets—congratulations to all of them for their hard work and achievement.
