

Achieving Excellence Together

2nd May 2025

Dear Parents and Carers,

It has been another incredibly productive week at Hadrian Academy, with our pupils working extremely hard across all year groups. A particular well done to our Year 6 children, who have been showing great focus and determination as they prepare for their KS2 SATs examinations, which begin on Monday 12th May.

On Tuesday, we were pleased to welcome Helen Jones, our School Improvement Advisor and Lead Ofsted Inspector, along with Hilary Power, Chief Executive of the Tennyson Learning Community. Their visit focused on how we teach reading across the school.

Here are a few highlights from their feedback:

"Based on the findings from the lesson visits, there was some highly effective teaching of reading, as a result of strong subject pedagogical knowledge."

"Leaders have focussed a great deal on early reading and phonics. The predictions for the Year 1 phonics screening score are high."

We are very encouraged by these comments, and the visit has also provided us with valuable ideas and recommendations to further enhance the teaching of reading at Hadrian Academy.

Cross Country Event

We would like to say a big well done to all the children who took part in the school cross country competition on Wednesday. They showed determination and resilience, performing exceptionally well despite the unusually hot conditions. We are very proud of their efforts.

As the weather continues to warm up, we kindly remind all parents to apply sun cream to children before school and ensure they bring a hat to keep safe in the sun.

Parking at Hadrian Avenue and surrounding streets/entrances

It has come to our attention that whilst collecting at the end of the school day a white Audi has blocked in a resident on a few occasions on Hadrian Avenue. We do not wish to upset our neighbours so can we remind all parents that when parking in Hadrian Avenue and all neighbouring streets please be considerate and don't obstruct or park on their driveways.

Hadrian Avenue can get very busy with cars at drop off and pick up times. Where possible please try to 'Park and stride', by parking a little further away from Hadrian Academy and then walk the rest of the way to school. Also, please watch your speed in the vicinity of the school and always be cautious of children.

The Thursday Morning Mile club

Well done to the children who have joined 'The Mile Club. Their personal times for walking, Jogging, and running a mile have all improved. This week they were rewarded with having a healthy snack of fresh oranges and a cool down game of javelin. We still have a few places left if you would like to email the school office. They will be offered on a first come, first served basis.
