Primary Success with Top Progress

Starting School in September 2025

Our vision at Hadrian Academy is to provide a school of excellence where every child is encouraged and supported to reach their full potential.

In September 2023 we were visited by OFSTED and we maintained our 'GOOD' rating. OFSTED commented that Pupils love learning and there is a great team ethos... Pupils play well together and show kindness, they take responsibility for themselves.. Pupils have high ambitions for themselves and others and work hard.

We offer a wide range of extra-curricular opportunities. In recent years, the school has achieved the School Games Mark Gold, Sing-Up-Platinum Award and Arts Mark Gold Award.

Admissions for children starting School 2025 is now open.

Our open mornings are Fridays on 4th October, 18th October, 15th November and 6th December at 9.30am.

A great place to live and work.

SNAP Parent Carer Forum have arranged a series of SEND Roadshows for this academic year. The first event is next month in Dunstable. Our Roadshows bring together services which support children with Special Educational Needs and Disabilities and their families, all in one place. We have various stall holders which include representatives from health, local authority, social care and voluntary sector services. They are family friendly events held in an accessible venue throughout the county.

These are in person events for parents and carers of children and young people with special educational needs and disabilities. Their child does not need a diagnosis for families to come and get help at a roadshow. They may:

- be new to SEND and unsure what help is available
- feel their child needs help or have questions about the support they already receive
- want to find out what support there is for the family
- not be sure what support they might need

Our First event is in Dunstable at the Priory Church Hall (LU5 4RU), 7th November 10am-12pm. Please note local parking is pay and display. This is free event and there is no need to book in advance. Free copies of our book Supporting Your Neurodiverse Child/Young Person will be available while stocks last.

I have attached a copy of our flyer for the event as a PDF poster or image that can be used on social media/websites etc. Please help us by sharing the information with the parents in your setting. Please also note we now have a professional membership, link below, if you haven't already signed up to get direct information from us of future events and opportunities for the parents you support.

Thank you for your time and help.
