

Achieving Excellence Together

18th October 2024

Dear Parents

It has been an extremely busy week at Hadrian Academy. On Monday, the year 3 and 4 children visited Whipsnade Zoo as part of their science topic. The year three pupils have been learning about animals and classification whilst the year 4 classes have been studying diet and teeth. Thank you to all of our parent volunteers for braving the rain and coming along.

Throughout the week, the year five children have been taking part in the level 2 Bikeability proficiency. Level 2 teaches children how to grow more confident with each turn of the pedal. The children have learnt how to experience real cycling by cycling on quiet roads to develop their confidence and independence.

On Tuesday, Pam Jones, our teaching and learning consultant, carried out a writing review at Hadrian Academy. She looked at examples of children's writing across the school. She was particularly impressed with the progression in children's work since the start of September, notably the improvements in handwriting and presentation.

Helen Jones, the School Improvement Partner and current Ofsted inspector, visited the school on Wednesday to carry out a learning walk with me. We visited lots of classrooms seeing learning in action. She was particularly impressed with the year four children and how they have adapted to being taught in the hall since the floods last month.

Parents Conduct - Polite Reminder

Unfortunately, we have had a few incidents recently of parents communicating aggressively to members of staff. This has taken place via ClassDojo and on the telephone. **This is not acceptable and no member of staff should accept this.**

If there is something which you are unhappy about, the class teacher is always the first point of contact. If you do not feel that the concern has been appropriately dealt with, please contact the office to speak to a member of the school senior leadership team.

We understand that problems that concern our children can be troubling or worrying, but every member of staff has the right to come to work without the fear of aggression or intimidation.

Parents Meeting

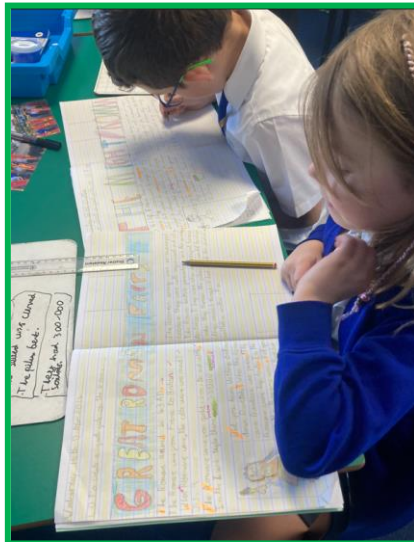

A quick reminder to all parents that Parents Evening is taking place next week. Please do book a time with your child's class teacher if you have not already done so.
