

Numeracy

<http://www.amathsdictionaryforkids.com/>

An excellent online dictionary with clear explanations of mathematical terminology

<http://www.bbc.co.uk/schools/>

<http://www.topmarks.co.uk/Flash.aspx?f=HitTheButton10>

Years 1-6 - Maths activities to help children with number bonds, tables and division

Prodigy Maths

<https://www.prodigygame.com>

Is in U.S. grades, but good for UK Primary age.

Numbots <https://play.numbots.com/#/intro>

Year 2-6 - Students can login with the same details as TTrackstars and games work to build fluency in addition, subtraction and number bonds.

TTrackstars www.ttrackstars.com

Year 2-6 - Students can build fluency in times tables by competing in games either via the app or online. Times tables can be adapted by teachers so they are age appropriate.

<https://www.mymaths.co.uk/>

Year 2-6 - Online lessons, activities and games. Log in details have been provided for this.
